The screenshot shows the 'Login/Register' page. At the top, it says 'Login/Register' and 'You must login or create an account in order to post a job or submit your resume.' Below this are two bullet points: 'As a Job Seeker you'll be able to submit your profile, post your resume, and be found by employers.' and 'As an Employer you will be able to submit, relist, view and remove your job listings.'

There are two main sections: 'Create a free account' and 'Already have an account?'. The 'Create a free account' section has radio buttons for 'I am an Employer' (selected) and 'I am a Job Seeker'. It includes input fields for 'Username', 'Email', 'Enter a password', and 'Enter password again', along with a 'Strength indicator' button. The 'Already have an account?' section has input fields for 'Username' and 'Password', a 'Remember me' checkbox, a 'Lost your password?' link, and a 'Login ->' button.

On the right side, there is a green 'Submit a Job' button with the text 'Please have your details ready before pressing Submit button' below it. Below that is a 'Welcome to the Southern Forests Employment Hub' section with a green background, containing text about the Manjimup Community Resource Centre and a quote: 'For Employers and Employees, we have included this useful like to training providers in our region who can respond to your individual or group training needs... "It's never too late to learn."'
